

About Us

Welcome to LongPack Games, where we turn your board game dreams into reality with our exquisite components and exceptional manufacturing process. As a subsidiary of LongPack Ltd, a renowned printing and packaging. Our impressive client list boasts over 500 firms from around the world who have benefited from our high level of competence and specialized factories. At LongPack Games, board games are one of our main business divisions, and our team of Western experienced experts with their technical and Pellabce sourcing abilities work tirelessly to produce the highest quality tabletop games, accessories, and customized wooden, metal, and plastic components.

We understand the importance of cost, quality, and delivery time, which is why we collaborate with you to strike the perfect balance and ensure a successful game launch. Quality, efficiency, and attention to detail are our top priorities, and our team is dedicated to delivering a full-service turnkey production facility, supported by a knowledgeable and competent workforce.

From concept to completion, we're here to work with you every step of the way, helping you to deliver the best possible board games in all aspects of the project. Our manufacturing capabilities are comprehensive, and our commitment to collaboration ensures that we can handle any assignment effectively.

At LongPack Games, we take pride in creating intricate components that enhance the overall gaming experience. We invite you to explore our range of capabilities and join our satisfied clients who have trusted us to bring their board games to life with unparalleled quality and exceptional attention to detail.
