## Avatar Legends

The Roleplaying Game is a tabletop RPG book currently being funded through a Kickstarter campaign. Developed by Magpie Games, Avatar Legends offers players the chance to immerse themselves in the world of Avatar: The Last Airbender and The Legend of Korra.

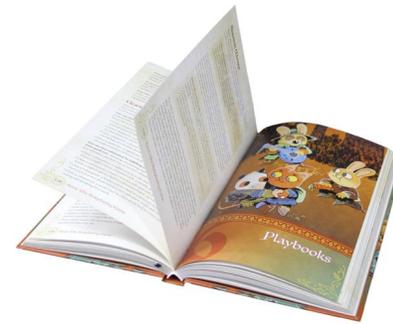

In the game, players take on the roles of characters with unique bending abilities, working together to solve challenges and overcome obstacles in a richly detailed world filled with adventure and danger. The book includes rules for character creation, combat, and magic, as well as a comprehensive guide to the Avatar universe.

Designed for both new and experienced RPG players, Avatar Legends promises an engaging and immersive gameplay experience. The Kickstarter campaign offers backers the chance to support the development of the book and receive exclusive rewards, including early access to the game, custom character illustrations, and more.

## Root

Root is a tabletop role-playing game (RPG) book based on the popular board game of the same name. Created by Magpie Games, Root offers players an immersive world set in a forest populated by anthropomorphic animals, each with their own unique abilities and motivations.

In Root, players take on the roles of different animal factions, each vying for control of the forest. The game offers a variety of gameplay options, including political intrigue, combat, and exploration. The book includes a detailed guide to character creation, as well as rules for the various factions and their interactions.

Root is designed for both new and experienced RPG players, offering a flexible and engaging gameplay experience. The RPG book is available for purchase on the Magpie Games website, and the game can be played with just two players or as many as six.

## Heliana's Guide To Monster Hunting

Monster Hunting: A 5E Supplement is an exciting expansion for the beloved 5th Edition tabletop role-playing game. This Kickstarter project offers new adventures, creatures, and challenges, providing gamers with the opportunity to explore the world of monster hunting and create thrilling narratives. Dive into a world of mysteries and terrors, where hidden treasures and epic stories await.

In this supplement, players step into the shoes of valiant hunters with unique abilities, united to tackle challenges and vanquish menacing adversaries in a richly detailed and treacherous universe. The book features in-depth rules for character creation, combat, and magical arts, alongside an extensive exploration of the thrilling Monster Hunting world.

## Steinhardt's Guide to the Eldritch Hunt

Eldritch Hunt is an enthralling tabletop RPG project that is currently seeking funding on Kickstarter. Developed by Monkey DM, this game invites players to explore a world steeped in eldritch mysteries and dark adventures.

In Eldritch Hunt, players take on the roles of intrepid investigators, delving into the unknown and confronting cosmic horrors that lurk just beyond the veil of our reality. This game offers a richly detailed and suspenseful world, filled with challenging quests, eerie landscapes, and eldritch secrets waiting to be uncovered.

Designed to captivate both seasoned RPG enthusiasts and newcomers to the genre, it promises an immersive and spine-tingling gaming experience. Players have the chance to play a crucial role in bringing this eldritch world to life and gain exclusive rewards, including early access to the game, unique character options, and more. Dive into the darkness and embrace the hunt!
