About Us

LongPack Games, a subsidiary of LongPack Ltd in Shanghai, China, brings over a decade of expertise in printing and packaging solutions to the industry. We have served over 1000 clients globally, delivering high-quality solutions.

Specializing in board games, our Western experienced team excels in sourcing and technical capabilities. We produce top-tier tabletop games, accessories, and customized components in wood, metal, and plastic. Our expertise ensures a perfect balance of cost, quality, and delivery time, instilling confidence in your game's launch.

We aim to be the preferred turnkey production facility for publishers and merchandisers, offering a knowledgeable workforce capable of handling any project efficiently. Quality, efficiency, and attention to detail define our approach, ensuring the delivery of exceptional board games in every aspect of production.

From initial concept to final product, we're committed to partnering with you every step of the way.
